NET IMPACT 

**IT'S TIME TO
ACT NOW!**

The problems our world faces are huge—from hunger to climate change to racial inequity. What if we could mobilize other people to dedicate more time on the job to making an impact?

Transform Your Passion into World-changing Action

Learn

Interact with our dynamic programs and resources

- Build your skills by solving real-world problems alongside leading organizations and experts.

Network

Connect with our 80,000+ members around the world

- Meet like-minded students and professionals.
- Get involved in your community by joining your local chapter.
- Engage with our global network at our annual conference.

“ Net Impact was a tremendous leadership opportunity and was a great avenue to make a difference. Through my involvement, I saw the impact of how business can be used as a catalyst for positive change in our communities and in the world. ”

—Lynn Clark, North Carolina State University
